## Castillo Hotel Son Vida

A 5 star hotel with newly refurbished rooms & suites, inspired by Mallorca's indigenous charms and treasures, boasting captivating panoramic views towards the bay of Palma. Combining an enriching heritage with thoughtful service, the sophisticated ambience extends throughout 164 guestrooms and suites. The hotel features outdoor swimming pools for unequalled recreation, as well as the Castillo Hotel Son Vida Spa. There are an inspired range of restaurants, where you can make the most of the unsurpassed vistas, from fine dining El Castell to the chic Pool Bar.

## Son Vida and Son Muntaner Golf Courses

On the Saturday we will play the [Son Muntaner Golf Course](#) which is an extraordinary design, the greens are never-ending challenges and meticulous detail-oriented maintenance make playing this course a must for golfers who visit Mallorca. This is the only golf course on the Balearic Islands that is featured on the prestigious network of European Tour Destinations.

On the Sunday the competition moves to the [Son Vida Golf Course](#). The course's technical design, whose fairways run alongside the mansions of the Son Vida housing complex, requires an intelligent game strategy. Its impressive par 5 last hole with a second shot over water is a sure-fire temptation for the most intrepid golfers. In addition, few golf courses can boast of hosting a European Tour event twice (in 1990 and 1994).
